### Young Life History

Young Life was founded by Jim Rayburn, a seminary student and part-time youth minister in Gainesville, Texas. He wanted to reach out to kids who were disinterested in church. Rayburn took the challenge to go where the kids were, meet them on their turf, and find a creative way to share the love of God with them. Young Life was incorporated in 1941. Rayburn's method of reaching out to adolescents worked then, and it continues to be effective today.

Newt Crenshaw is Young Life's sixth president and has served since 2016. Annually, Young Life leaders make an impact on the lives of more than 2.1 million kids.
